About YRC CEG

The Youth Red Cross (YRC) at the College of Engineering, Guindy (CEG), Anna University, is a student-run organization dedicated to fostering social responsibility, leadership, and humanitarian service among engineering students. Rooted in the core principles of the Red Cross, YRC CEG provides a meaningful platform where volunteers actively engage in community outreach, empathy-building initiatives, and youth empowerment. Through a balance of campus-centric events and social service drives, the organization continuously works to create a positive impact both within the university and across broader society.

To introduce incoming students to college life and the values of student service, YRC CEG conducts Agaram, an orientation programme designed specifically for first-year students. Held in the campus auditorium, the event features motivational addresses along with interactive activities focused on improving concentration, focus, and personal development as students transition into university.

Building on student engagement, Thulir Thiran serves as an internal talent search for first-year volunteers. Inspired by the vision of Dr. A.P.J. Abdul Kalam, this competitive platform encourages students to showcase their creative and cultural skills in events like drawing, oration, essay writing, and singing, helping them build confidence and teamwork while celebrating youth potential.

Beyond the campus, Vivega stands as one of YRC CEG's flagship social outreach initiatives. The event brings children from various local orphanages and welfare homes to the CEG campus for a full day of fun, creative competitions, meals, and gifts. By providing these young guests with an enriching platform to express themselves, Vivega fosters joy, community connection, and strong social empathy among student volunteers.

In line with its commitment to inclusivity, YRC CEG also observes White Cane Day to support and celebrate visually challenged students. Through visits to specialized schools, volunteers organize career guidance sessions led by experienced professionals alongside confidence-building activities, helping visually impaired youth navigate future academic and career opportunities with independence.

Introduction

The Youth Red Cross Special Camp 2026, conducted from 23rd June to 27th June 2026, was a five-day residential programme dedicated to service, leadership development, social awareness, and community engagement. Held at the University College of Engineering, Kanchipuram (UCEK), nearby educational institutions, and Karai village, the camp brought together 95 student volunteers with a shared commitment to humanitarian service and personal growth.

Each day of the camp was carefully planned to provide a balanced combination of community service, awareness programmes, skill development sessions, leadership training, cultural activities, and team-building exercises. Volunteers actively participated in plantation drives, health and disaster management awareness programmes, fire safety training, career guidance sessions, alumni interactions, village outreach programmes, and awareness rallies.

Distinguished resource persons, alumni, faculty members, and programme officers contributed their knowledge and experiences, enriching the learning process throughout the camp. The camp provided volunteers with valuable opportunities to strengthen their sense of social responsibility, teamwork, leadership, discipline, and humanitarian values.

This report presents a concise day-wise summary of the major activities, achievements, and experiences of the Youth Red Cross Special Camp 2026.

Day	Event	Venue
Day 1	Inauguration & Orientation	University College of Engineering, Kanchipuram
Day 2	Plantation Drive & Team-Building Activities	Karai Higher Secondary School, Karai Middle School & UCEK Seminar Hall
Day 3	Career Guidance, Fire Safety Awareness & Interactive Sessions	UCEK Seminar Hall
Day 4	Blood Donation Awareness, Disaster Management & First Aid Training	UCEK Seminar Hall
Day 5	Drug Awareness Rally, Alumni Meet, Village Outreach & Valediction	Nearby Village & UCEK Seminar Hall

Day 1 – Inauguration & Orientation (23.06.2026)

The camp commenced with a formal inaugural ceremony at the University College of Engineering, Kanchipuram. The programme began with *Tamizh Thai Vazhthu*, followed by the YRC theme song and YRC clap. The Dean of UCEK, YRC Programme Officers, faculty members, and volunteers participated in the inauguration.

The dignitaries highlighted the importance of volunteerism, leadership, teamwork, and social responsibility. The objectives of the camp and the role of the Youth Red Cross in community service were explained to the participants.

Guest speakers included:

- Dr. M. Kothandapani, Dean, UCEK
- Dr. K. Malar Mohan, YRC Programme Officer
- Mr. B. Venkataraman

- Dr. R. Lavanya, YRC Programme Officer

An icebreaker session was conducted to help volunteers interact, build rapport, and familiarize themselves with the camp objectives and team members.

Day 2 – Plantation Drive & Team Building (24.06.2026)

The day began with warm-up exercises including jogging, stretching, and physical fitness activities aimed at promoting healthy habits among volunteers.

A plantation drive was organized at Karai Middle School and Karai Higher Secondary School:

- Teams 3, 4, 5, and 7 planted over 15 saplings at the middle school campus.
- Teams 1, 2, 6, and 8 planted over 30 saplings at the higher secondary school campus.

Mr. A. Sathish Kumar, who sponsored the saplings, was felicitated for his contribution toward environmental conservation.

The afternoon featured several team-building activities:

- Newspaper Castle
- Memory Game

- Find the Scripts

The day concluded with skit performances:

- Team 8 – Youth Red Cross Awareness
- Team 6 – Health Awareness
- Team 1 – Spirit of Volunteerism

Day 3 – Career Guidance & Fire Safety Awareness (25.06.2026)

The morning session consisted of sports and recreational activities, including basketball, throwball, and *Dog and the Bone*, promoting teamwork and physical fitness.

An inauguration ceremony was conducted to welcome guest volunteers from another YRC unit in Kanchipuram, encouraging inter-institutional interaction and collaboration.

An interactive question-and-answer session was conducted by Dr. M. Sathya Prasad, addressing topics such as self-identity, self-confidence, overcoming negative habits, and personal development.

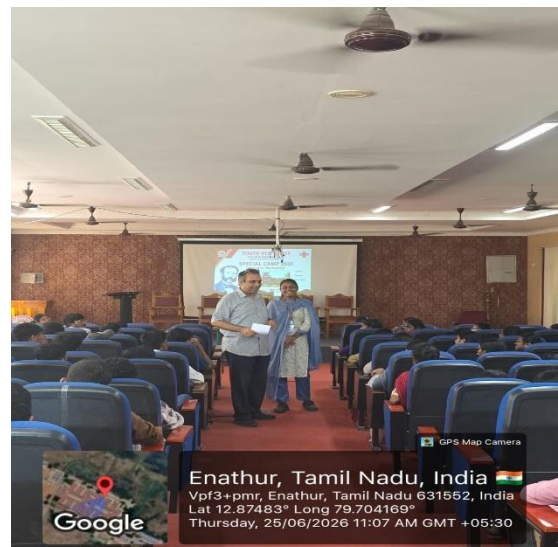

A Fire Safety Awareness Programme was conducted by Training Station Officer Indra, covering fire prevention, emergency response procedures, and career opportunities in fire and rescue services.

A Career Guidance Session by Mr. Syed Khaleel Ahmed provided valuable insights into career planning, skill development, and future opportunities.

The day concluded with skit performances:

- Team 7 – Friendship
- Team 2 – Reforming the Present Generation
- Team 4 – Deforestation Awareness

Day 4 – Blood Donation & Disaster Management Training (26.06.2026)

The day began with outdoor sports activities including volleyball, basketball, and other recreational games to encourage teamwork and healthy competition.

An interactive icebreaker session strengthened communication skills, leadership qualities, and team coordination among the volunteers.

A Blood Donation Awareness Session was conducted by Mr. A. R. Manivannan, who explained the importance of voluntary blood donation, donor eligibility, and its role in saving lives.

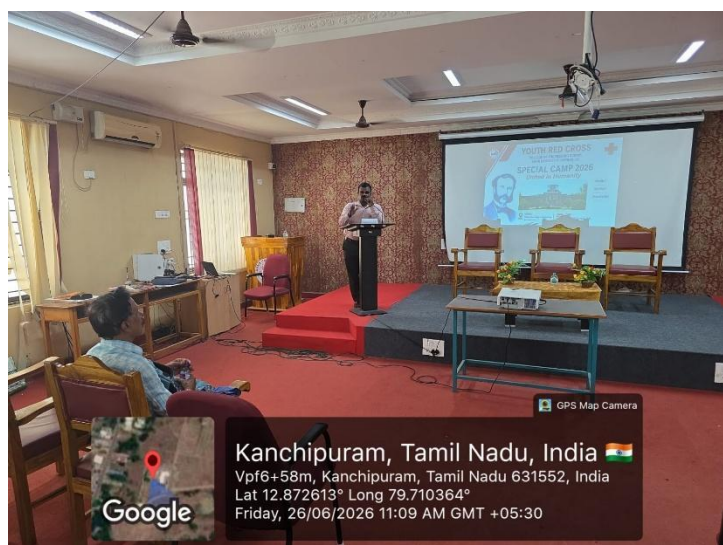

A practical session on Disaster Management and First Aid was conducted by Mr. M. D. Elangovan, covering disaster preparedness, emergency response, and the use of first aid equipment through demonstrations and hands-on training.

The *Newspaper Castle* activity encouraged creativity, teamwork, and problem-solving skills among participants.

The evening cultural session featured skits by:

- Team 3 – Drug Awareness
- Team 5 – Blood Donation Awareness

The day concluded with preparations for the village outreach awareness programme and a feedback session.

Day 5 – Drug Awareness Rally, Alumni Meet & Valediction (27.06.2026)

The morning began with warm-up exercises and outdoor games, including *Stop, Lock and Key* and *Dodge Ball*, promoting teamwork and physical fitness.

A Drug Awareness Rally was conducted in nearby villages, where volunteers carried placards and interacted with the public to promote a drug-free lifestyle and healthy living practices.

Team interaction activities and icebreakers were organized to strengthen friendship, communication, and team spirit among the volunteers.

During the Alumni Meet, former YRC volunteers shared their experiences, memories, and valuable lessons, inspiring participants to continue their journey of humanitarian service.

As part of the village outreach programme, volunteers performed an awareness skit on *Avoid Plastic Usage*. Through an engaging and impactful performance, the volunteers emphasized the importance of reducing single-use plastics and encouraged the public to adopt eco-friendly alternatives such as cloth bags, paper bags, and reusable materials. The performance was entirely student-led, featuring original songs, slogans, direction, and acting with commendable team coordination. The skit effectively conveyed that individual effort contributes to a cleaner, healthier environment, earning high appreciation from the villagers and successfully spreading plastic conservation awareness.

The camp concluded with the Valediction Ceremony, marking the successful completion of the six-day programme. Participants shared their reflections and experiences, followed by a vote of thanks expressing gratitude to everyone who contributed to the camp's success.

Conclusion

The YRC Special Camp 2025 was a resounding success, combining service, education, creativity, leadership, and personal growth. Each day gave volunteers the opportunity to step outside the classroom and into real-world experiences that foster empathy, social awareness, and teamwork.

The memories, friendships, and values gained through this camp will stay with us forever and guide our future contributions to society. This report is a testament to the dedication, collaboration, and spirit of everyone who made the camp a meaningful experience.

Programme Officers:

Unit - I & II: Dr. D. Narashiman, Department of Information Science and Technology

Unit - III: Dr. R. Lavanya, Department of Media Sciences

Unit - IV: Dr. K. Malar Mohan, Department of Mechanical Engineering
